

## 5-Person Portable Translation/Tourguide System | TSP-5

This 5-person Portable Wireless Translation/ Tourguide System provides superior sound quality and full mobility, combining multiple-channel transmitter and receivers, as well as improved reliability and versatility. It can be expanded by adding an unlimited number of additional receivers. More foreign languages/ auditory sources can be added for a maximum of 6 in the same area by purchasing 1 additional transmitter and microphone per auditory source.

This system is ideal for factories, tourist attractions, zoos, theme parks, museums, schools, hotels and resorts, bus tours, courtrooms, business meetings and more.
